

NANAIMO MEN'S RESOURCE CENTRE

FAMILY

December
2012

To put the world right in order, we must first put the nation in order; to put the nation in order, we must first put the family in order; to put the family in order, we must first cultivate our personal life; we must first set our hearts right."

Confucius

"Call it a clan, call it a network, call it a tribe, call it a family. Whatever you call it, whoever you are, you need one."

Jane Howard

"Our most basic instinct is not for survival, but for family. Most of us would give our own life for the survival of a family member, yet we lead our daily life too often as if we take our family for granted."

Dr. Paul Pearshall

"Always reward your long hours of labor and toil in the very best way, surrounded by your family. Nurture their love carefully, remembering that your children need models, not critics, and your own progress will hasten when you constantly strive to present your best side to your children. And even if you have failed at all else in the eyes of the world, if you have a loving family, you are a success."

Og Mandino

MESSAGE FROM THE NMRC...

The Resource Centre will be closed for the Christmas week (Dec 24-28) and New Year's Day. Door will re-open on January 2, 2013.

Wednesday Night Drop-In will continue on the first Wednesday of each month. The first gathering will take place January 2nd @ 7:00 PM. Come down to the Centre, we will provide the pizza, and an open policy to talk about whatever is on your mind.

With the New Year upon us gives us all an opportunity for a fresh start. One of the greatest things about living on this planet is that tomorrow is always a new day. The old clichés still apply today; it is never too late to change; there is always room for improvement; and we are all a product of our environment.

Over this Holiday season, remember the reasons why your family is so important to you, share your most favorite memories with the ones closest to you, and tell the people most dear to you that you love them. The holidays are a time to share with your true family...which doesn't always include one of blood, but one of mutual respect and happiness in each other's life.

Most importantly...TAKE CARE OF YOURSELF, HAVE FUN, & STAY SAFE!!

HAPPY HOLIDAYS!

WARMEST THOUGHTS AND BEST WISHES FOR A WONDERFUL HOLIDAY AND A VERY HAPPY NEW YEAR!!
